The Immaculate News

Congratulations to Sr. Nancy

On Wednesday, April 8th, FOX 9, M&I Bank, and many students, parents, and alumni recognized Sr. Nancy Kinsley for her outstanding performance in the classroom with the 2009 Top Teacher Awards.

"All of us know a truly great teacher - an educator who taught more than what was in the textbooks, and instead brought learning to life inside and outside the classroom. These teachers have made an impact on our lives that extends from the schools to the community in which we live. It's because of teachers like this that FOX 9 and M&I Bank present the fifth annual Top Teacher Awards. Nine extraordinary teachers will be featured on FOX 9 News, receive a surprise celebration presented by a FOX 9 News anchor at their school, and a Subway party for up to 100 people to use at their discretion. And, each winner's school will receive a \$900 check for classroom supplies from M&I Bank and FOX 9." from Fox 9 website

Child Care is available

Listen to a presentation given by school psychologist, Dr. Steve Kahn entitled:

"Influencing their decisions when they are away from us"

Without a doubt, the most important decisions our children make are the ones they make when we are not around. In fact, we may not even know until much later the choices they were confronted with and considering. How can we parent (when we are with them) so that we will have influence over their decisions when they are away from us (e.g., before adolescence, at a friend's house, at a game or at the mall); and in the future when they are teenagers and are dating and going to parties. In just a blink of an eye, we will be dropping them off in their college dorm rooms and they will be away from us for months at a time.

Have a nice long weekend! Remember, no school tomorrow, April 10th, or Monday, April 13th.

Summertime Fun

We are now enrolling for our Summer Child-care Program, which is called JOURNEYS. This is a fun and educational childcare service being offered for children grades 1st - 8th. We will be located at the school - but will be doing great summer expeditions out and about - including fieldtrips, picnics, summertime outdoor activities, use of the gym, mat room, computer room, etc., as well as many fun on site activities. Children will be grouped with their own age group, and will have age-appropriate activities to do. This program runs from June 15th until August 21st. The deadline for enrolling is April 27th, 2009! Please contact Jodie Bunish at 763-788-9062 ext.225 for more information.

Thank You!

All programs offered this summer are contingent on adequate enrollment

WELCOME!

Last night ICS opened its arms and welcome prospective parents during our Open House activities. During the Open House parents from St. Elizabeth Seton and St. Bernard were given tours of your school by ICS parents.

The atmosphere was one of welcome, friendship and community. I want to thank the many ICS parents who shared with these new parents their experiences at ICS.

God Bless!
